The Law Firm of LaClair & DeLuca, PLLC is a highly concentrated family law practice with particular focus on complex financial cases and contested custody issues. The practice accepts only a limited number of qualified cases so that the full measure of counsel's expertise can be applied to each matter. A consultation fee of \$450.00 is charged for the initial consultation only so that either Ms. LaClair and/or Ms. DeLuca can assess your situation and make a determination whether your matter is one which is appropriate for this firm and whether, in the attorney's judgment, an effective attorney-client relationship is feasible. Payment of the consultation fee does not compensate the firm for any services beyond the initial screening consultation and does not obligate the firm to accept your matter.

I HAVE READ THE ABOVE, UNDERSTAND THE TERMS OF THE CONSULTATION FEE AND AGREE TO SAME.
